

# Teidi Shelving Unit

Product Fact Sheet

## Product description

Introducing Teidi – a new chapter in the world of shelving. This outstanding unit is open for customization thanks to the modifiable number of shelves and its tool-free assembly. Teidi will do well as a small side table, but it can grow up to five levels, making a lot of room for your favorite books, decorative items and office supplies. The harmonious design coupled with elegant veneer finish make Teidi a modern and functional addition to your interior.

## Contact us

Need our help? Contact us at [support@noo.ma](mailto:support@noo.ma).

Visit [www.noo.ma](http://www.noo.ma) for more information.

## Packaging

This furniture is packed in one durable box to assure security during transportation.

## Assembly

All of our furniture are preassembled which means that all the pieces are already ready to use. Final assembly is simply connecting these pieces together using special connectors placed in all the components. This process is easy and does not require any special tools.
